

Employee Benefits Guide

1. Health Insurance

The company provides comprehensive health insurance coverage to all full-time employees and their families. Coverage begins on the first day of the month following your start date. The company pays 70% of the premium for individual coverage and 50% for family coverage.

2. Dental and Vision Coverage

Dental and vision insurance are provided at no cost to employees. Dental coverage includes cleanings, exams, and basic procedures. Vision coverage includes annual eye exams and discounts on glasses and contact lenses.

3. 401(k) Retirement Plan

Employees are eligible to participate in our 401(k) plan after 90 days of employment. The company matches 100% of contributions up to 4% of your salary. Contributions are made pre-tax and grow tax-deferred until retirement.

4. Life Insurance

The company provides basic life insurance equal to 2x your annual salary at no cost to employees. Additional coverage may be purchased at employee expense. Beneficiaries should be designated in the benefits system.

5. Paid Time Off (PTO)

In addition to vacation days, employees receive 5 personal days and 10 paid holidays per year. Sick days are separate and can be used for personal illness or family medical care. Employees are encouraged to use their PTO to maintain work-life balance.

6. Professional Development

The company provides an annual professional development budget of \$1,500 per employee for training, certifications, and conference attendance. Employees should discuss development opportunities with their managers.
